2009 Season Information

Team Coaches & Representatives,

The DCCSA League Board is ready to kick off the 2009 Softball Season. We are looking forward to the season bringing added fellowship to your church experience. Please make sure that you take note of the post office box that was established last year for mailing in your entry fees and rosters if you choose.

- Please use the Post Office box to mail in your forms.
- League entry fees will be \$340 per team again this year, and is to be turned in either with your *preseason roster or before you play your first game*. If there is not a board member present please give it to the scorer at your park and it will be passed along to the board.
- Again this year it is a requirement that each individual signs the roster sheet waiving liability of the DCCSA. This is to protect the participant as well as the league in case of an injury to any participant that may get injured during play.
- PLEASE REMEMBER that we are planning on using the ASA bat list for the 2009 season. The bat list will be published on the website as soon as it is completed.
- It will be very important to review the dress code for the 2009 season, to clarify any questions that your players may have.
- The 'Dark Week' is yet to be determined for this season, we will provide more information based on the schedules when they are completed. This is largely due to the fact that the fourth of July is on a Saturday this summer.

In Closing, the Board once again is asking that the coaches turn in the monthly rosters prior to the team's first game that month. The mission of this league is to fellowship with other Christians, and to use softball as an outreach to bring people to know Christ. Let it be everyone's goal to use Church softball as a vehicle to add new members to their Church membership.

Wishing all Churches Faith and Fellowship,
